## Ruckus Wi-Fi 5 APs End of Sale

### Ruckus End of Sale announcement for Wi-Fi 5 APs

Aug 2, 2021

Document Revision 0.2

#### Document Revision History

Doc Rev	Description
0.1	(July 30, 2021) Initial publication
0.2	(Aug 2, 2021) Corrected & removed C110 – which was previously pre-announced EOS. Added Software support details. Clarified that replacements are suggestions. Changed E510 replacement to be the T350 series instead of just T350c Corrected EOS dates of 1 year support SKUs
0.3	(Aug 3, 2021) Updated with T305

Please be advised that effective **January 31, 2022**, the following Access Points will go End of Sale and will no longer be available for purchase. Ruckus may update this announcement after initial release to provide clarity or to address any errors or omissions.

#### Discontinued Products

The following 901 and 9U1 (Unleashed) SKUs will no longer be orderable after January **31, 2022**:

## Ruckus Wi-Fi 5 APs End of Sale

### Milestone Dates

Milestone	Date
End of Sale Pre-Announcement	July 31, 2021
End of Sale*	January 31, 2022
End of Software Maintenance – no further software updates	January 31, 2023
End of Support (last possible Support contract active)	January 31, 2027

\*We expect to be taking order through January 31, 2022 but the final date will depend on stock availability and at CommScope/Ruckus' discretion, the End of Sale date may be before January 31, 2022. If the actual End of Sale dates are earlier than January 31, 2022, the End of Sale dates for certain SKUs and the End of Support dates will also be impacted. All new support SKUs must be purchased within six months of the actual End of Sale date of each product.
