RUCKUS Elite Solution Providers

Focused training is customized to your specialty and needs. Select from two options: a [wired or wireless focus](#). You can even complete both sets of training if you like. Elite Solution Providers must maintain and report a certain number of pre-sales, sales and technical personnel on staff and maintain the minimum requirements as outlined in each path below. These Solution Providers will demonstrate a higher level of competency by completing the most comprehensive training requirements as shown in the table below.

RUCKUS Certified Solution Providers

RUCKUS Certified Solution Providers must maintain and report a certain number of pre-sales, sales and technical personnel on staff and maintain the minimum requirements as outlined in the table below. In addition to taking a series of online training courses, Certified Solution Providers are required to complete at least two exams: Routing and Switching Protocols and Wi-Fi Fundamentals. More details about our training are available in the [RUCKUS Certified Partner Curriculum](#).

RUCKUS Registered Solution Providers

RUCKUS Registered Solution Providers can access our CommScope University for highly recommended training to enhance their product competency. While Registered Solution Providers don't have to undertake any training, their benefits in the RUCKUS BIG DOGS Partner Program are limited.

What else you might want to know

First steps:

1. New RUCKUS Solution Provider? → Set up your [Partner Portal login](#).
2. New employee? → [Add users](#) to your organization.
3. Sign up at [CommScope University](#) with the same email to ensure your individual achievements count toward Partner compliance.
4. Choose self-paced eLearning for you to reach training compliancy. Alternatively you can sign up for our instructor-led courses [here](#).

Rules:

- One individual can satisfy multiple requirements.
- For Certified Solution Providers, one individual required per course.
- For Elite Solution Providers in large countries, two individuals required per course. If you choose the Combination Path, however, only one RCWA and one RCNI are required.
For medium/small countries, one individual required per course. (See [country market size chart](#).)
- Certified and Elite Solution Providers must maintain training compliance for visibility in the Partner locator and to access incentives for support associates.
- Technical training, accreditations and certifications are valid for three years from date of completion.
- Sales and pre-sales training is valid for one year from date of completion.
- Our training consists of
 - Accreditations: Non-proctored exams
 - Certifications: Proctored exams through which designated credentials are awarded based on performance
