## RUCKUS Accredited ICX

### HIGHLIGHTS

**Passing Score**

68%

**Number of Questions**

30

**Exam Duration**

60 minutes

**Exam Policy**

- RUCKUS accreditation exams are **not** proctored exams.
- You have three (3) attempts to pass each exam.
- RUCKUS accreditations are valid for a period of three (3) years.

### EXAM DESCRIPTION

**RUCKUS Accredited ICX** accreditation demonstrates your ability to describe and deploy Ruckus ICX routing and switching hardware and software in a production environment.

Passing this exam confers the **RUCKUS Accredited ICX (RAICX)** credential.

### TARGET AUDIENCE

This accreditation is designed for wireless system administrators tasked with deploying client device onboarding solutions.

### SKILL & COMPETENCY

Before taking the exam, you should master the critical competencies and experience covered in the following courses/curricula:

[ICX 150 | ICX Implementer](#)

*This training course concentrates on the duties performed by a network administrator within typical to complex network environments and focuses on the RUCKUS ICX series of switches*

[RUCKUS Routing and Switching Protocols](#) (pre-requisite)

The RAICXI accreditation, along with an understanding of Layer 2 routing and switching protocols, is a prerequisite to the Ruckus Certified Networks (RCN) certification.

### CREDENTIALS

Within one week of passing the exam, your credentials will be delivered directly from [Accredible](#), where you can download a high-resolution, print-ready certificate and digital badge.
